

As the grass and trees turn green once again lifting our spirits,  
we will remember Dan Greene with our...

### **“Forever Greene Mission & Outreach Legacy”**

This is a campaign of hope, joy and giving. This new tradition will have a yearly chosen community focus reflecting Dan’s past support and commitments.

**This year it will be the Bissell Centre.** We will be hosting a lunch there early in the Fall on **Sunday, October 3, 2021.** Due to ongoing Covid restrictions and protocols this will be a catered Pizza Party. We will be collecting funds for this campaign supporting the homeless in our community during the month of June.

Once again with \$1 a day collectively, **WE CAN SUPPORT** ongoing Mission & Outreach initiatives at Strathearn United. **Please donate \$30 or any amount you would like to give. *Make cheques payable to Strathearn United Church and designate to the “Forever Greene” campaign.***

We continue to show our Christian spirit through our actions.

Thank you for your support.
